

Aims Community College Policy

Board of Trustees

Public Comment

All regular and special meetings of the Board of Trustees shall be open to the Public. The Board will encourage the general public to offer comments relating to the operations of the College and to give input on items before the Board. This will be accomplished by permitting interested individuals to address the Board during the Public Comments section of the Board meeting. The Board may schedule a time during a meeting for members of the public to provide brief comments on specific items listed on the agenda or on other topics related to the operations or activities of the College. Speakers will have no expectation that Trustees will respond to public comments.
